Winton 32

The Winton is designed for the modern family, with three or four bedrooms and a study that gives you all personal space while at the same time letting you bring your family together. Large open plan living, a covered outdoor living area and formal entry all add up to a package that is really hard to go past. The kitchen, meals and family are specifically designed around the outdoor entertaining area to give you that functionality and flow of today's modern lifestyle. This home honed in on the needs of rural life while letting you explore all of the trappings of modern life.
