ARMANI

Offering a lavish footprint that will surely have your friends, family and visitors raving with envy, the Armani is our flagship single storey acreage design.

Covering more than 360m² and offering a combined total living space of 289.3m², the Armani welcomes you home via a lavish porch nestled between a media room and lounge room.

Once inside, the truly expansive kitchen with walk in pantry opens out onto an equally expansive dining room and alfresco area.

Four large bedrooms, main bathroom and secluded retreat sit to the left, and on the right lies a master suite with walk in robe and ensuite, a guest bedroom and your new double garage.
