Palladian

Cutting edge and timeless, the Palladian series are our most popular acreage homes, offering modern, country-style living at its finest.

At the heart of the floor plans you'll find a light filled living and dining space with an elegant kitchen that will wow even the most seasoned of Masterchefs. With large glass doors framing the gorgeous views of your property, this open plan space is the ideal spot to spend time with your family—cooking, eating, supervising homework and sharing stories about your day. The formal living room is the spot for entertaining—ditch the TV and ban devices and you'll have the perfect retreat before you can say 'adults only'.

The master suite basically has its own wing, with a glamorous walk in robe and opulent private bathroom. The outlook from this room is superb—the perfect spot to enjoy your morning coffee. The other bedrooms are at the opposite end of the home, giving everyone much needed privacy.
